

How to use:

- Print, cut, and laminate to make the cards.
- Print, cut, and laminate the boards (the empty boxes, or the boxes with the words, depending on your client's need for prompting).
- Put velcro as needed.
- Ask your client to put them in order!
- Print as many copies as needed to get more patterns.
- You can work on patterns, ordering small to big, big to small, most to least, least to most, light to dark, or dark to light.
- Check back our site (www.behaviorfy.net) for updated materials and free resources!
